(c) and (d) Since Non-formal pre-school education for children in the age group of 3-6 years is one of the components of the Integrated Child Development Services (ICDS) programme of this Department, it has been decided to phase out the Early Childhood Education Programme to avoid duplication with the ICDS.

Train service between Bhubaneswar-Kanya Kumari and Bhubaneswar-Howrah

1642. SHRIMATI JAYANTI PATNAIK: Will the Minister of RAILWAYS be pleased to state:

(a) whether there is a demand to introduce train service between Bhubaneswar and Kanya Kumari;

(b) whether a demand has also been made by Government of Orissa to introduce one train in the morning between Bhubaneswar and Howrah in view of the rush in all the Howrah-bound trains; and

(c) if so, the steps taken to consider these two demands?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI SATPAL MAHARAJ): (a) and (b) Yes, Sir.

(c) 11 pairs of Mail/Express trains are by and large adequately catering to the traffic offering between Bhubaneswar and Howrah. Introduction of a train between Bhubaneswar to Howrah/Kanya Kumari is presently not feasible due to operational and resource constraints. However, the Kanya Kumari bound passengers of Bhubaneswar can avail of changeover at Chennai.

Surplus workforce in Railways

1646. SHRI SANJAY DALMIA: Will the Minister of RAILWAYS be pleased to state:

(a) whether Railways have made any study regarding its surplus workforce;

(b) if so, the details thereof; and

(c) the steps taken or proposed to be taken by the Railways to utilise the surplus workforce gainfully?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI SATPAL MAHARAJ): (a) and (b) A diagnostic study on Manpower for Indian Railways was conducted in 1990. Among the important findings of the Study are that there is a need to do manpower planning to provide the necessary projections and profiles of staff in order to have a rational recruitment and training policy for improving the productivity of staff. The study also identifies redundancies due to modernisation and changes in the system of working and envisages redeployment of surplus staff for new activities or expanding activity centres and cost control.

(c) The staff rendered surplus due to closure of redundant activities and upgradation in the technology are redeployed to new activity centres after giving them training, wherever necessary. The redeployment of surplus staff is given the highest priority and their absorption has precedence over all other mode of recruitments.
